THANK YOU for supporting our **Walk 'n Roll with L'ARCHE** being held on **Sat., Oct. 20**. We are very excited to be holding our 3rd annual walk. We hope you will join us!

The Ministry of Community and Social Services provides the base funding for the services we offer – safe homes and meaningful day programs for people in Stratford with an intellectual disability. However, this funding is not keeping pace with our rising costs.

Donors like you help close this funding gap so that we can enhance our Day Program and upgrade the homes where our core members live.

Thank you for believing in the value of people with disabilities. Thank you for being a part of L'Arche's impact in helping to build a more compassionate Canadian society.

THANK YOU.

**A place of belonging
where people are celebrated
for who they are.**
